

GREENING

ALVERSTOKE

Alverstoke

This card is the start of our Greening Campaign in Alverstoke, the aim of which is to help people take action to tackle Climate Change. With your support we will move to Rewilding, Retrofit and other community actions to tackle Climate Change. But first we need you to take action in your home. **It's easy to get involved** - all you have to do is **commit to five of the challenges below**, and then **display the logo side of this card in your front window by 19 March 2022** and show your support for further community action.

Already doing some of the challenges? Go to the Energy Savings Trust website and pick some different ones. Then put the card in the window to encourage others!

- Turn off lights** when leaving a room (non LED) and stop **25kg of CO₂** going into the atmosphere and **save £14 a year* C**
- Line or rack dry clothes (or use an ailer)** reduces **CO₂ emissions by 65kg** and saves **£35 a year***
- Halving your food waste** by making a meal plan and using up leftovers will save **312kg of CO₂** and **saving £252 a year** C**
- Turn the thermostat down by 1°C** and you can **stop 325kg of CO₂** being emitted, it also saves your household **£80 a year***
- Boil only the amount of water needed** and you can stop **12kg CO₂** going into the atmosphere, **saving £6 a year** off household bills*
- Turn off all standbys and inactive appliances** and save **60kg of CO₂** from going into the atmosphere and **£30 a year* C**
- Replacing all bulbs with LEDs** will reduce **CO₂ by 65kg** and save **£35 a year***
- Wash laundry at 30° C** saving **15kg of CO₂** and **£8 a year** off household bills*

We will be counting the cards between 19 March - 2 April to calculate how much CO₂ we have saved together, so please can you ensure the card is displayed where it can be easily seen, i.e. in a front window or if you have a long drive tie something green to your gate!

C = Child friendly
